Note : The above report has been derived from the actual data as entered. There are 2 Columns of Rate. The Avg.Cost Colm takes the rate from the actual MRR's.

If The Avg.Cost Column is blank , then it means that the MRR does not have any "Rate".

The Rate(Mst), is the rate of this item in the "Item Master file--Item Rate field". This is taken if the Actual MRR rate is not available.
